

Career Horizon Services

Our Mission:

Health Solutions exists to assist those in need of healthcare services who require expert care to support recovery and to successfully achieve their healthcare goals. Health Solutions is committed to offering exceptional quality services that set the standard for healthcare in Colorado. This care is provided through service excellence, innovation, compassion, and promotion of self-determination.

Our Values

We believe that individuals in need of our services are our highest priority. They are the reason why Health Solutions exists.

We believe in the preservation of human dignity, self respect, and individual rights in a caring environment that results in enabling individuals to live, work, and contribute in their chosen community.

We believe in the person-centered approach to care in which the total healthcare needs of the individual are addressed. We encourage families to become involved in their loved one's treatment efforts.

We believe our employees are our most valuable asset and we promote a healthy work environment, open communications, teamwork, trust, honesty, and ethical behavior which allows us to be accountable to each other, to the individuals we serve, and to our community.

We believe that Health Solutions should be responsive to the healthcare needs of its communities and should direct its resources to meet those needs in a cost effective manner.

We believe in being a good corporate citizen of the community, maintaining communications with the various publics we serve, and participating actively in community affairs, particularly those related to healthcare.

Health Solutions provides behavioral health services at no cost to Health First Colorado members.

These members may be charged a co-pay for medical services. Please ask our support staff for more details.
